

SHARK ATV/UTV STEEL SNOW PLOW 59"/ 150 cm with Quick adapter

Product Code: **314-150-STEEL-QUICK-B**

USER & ASSEMBLY MANUAL

Dear Customer,

thank you for purchasing SHARK Snow Plow with quick release system. This snow plow is intended for clearing snow, sand, gravel and other loose materials. Read all the instructions and warnings carefully before using this product. Failure to follow warnings and instructions can result in severe injury, death, or property damage. Before installation, check if all parts are included and without damage. If not, contact the seller. Keep these instructions in a safe place for future reference. Use this product with original parts only. The seller or distributor cannot be held responsible in the event of damage or injury due to incorrect use of this product. Information in this manual is believed to be correct at the time of printing. ASP Group s.r.o reserves the right to change or modify any of the specifications without notice or obligation to update existing products. Repairs should only be carried out by a specialist or a professional and experienced technician. Never attempt to repair the product by yourself.

AFTER ASSEMBLING THE SNOW PLOW, CHECK THAT ALL BOLTS AND NUTS ARE TIGHTENED!

8	Lock nut M12	2

Adapter and Mounting Kit Assembly

No.	Part	Qty
1	Adapter	1
2	Chassis Mount	1
3	Adapter Lock	1
4	Locking Lever	1
5	Control Rod	1
6	Lock Nut M6	2
7	U-bolt	2
8	Washer M8 (ø30/2,5 mm)	4

9	Lock Nut M10	4
10	Spring	1
11	Lock Nut M8	1
12	Washer M8 (ø18/2,5-3 mm)	1
13	Hexagon screw M8x25	1
14	Screw M8x25	2
15	Washer M8 (ø16/1,3 mm)	2
16	Lock Nut M8	2

A technical line drawing of a mechanical assembly, possibly a door hinge or latch. It features a curved metal plate with several curved slots. A complex locking mechanism is attached to the plate, including a handle and various internal components like springs and pins. The drawing is a perspective view, showing the three-dimensional structure of the assembly.

14	Hexagon screw M8x25	2
15	Spring tension screw	2
16	Hexagon screw M12x40	2
17	Washer M16 (ø37/3 mm)	4
18	Lock Nut M12	2
19	Spacer insert	2
20	Spring ø43 mm	2
21	Hexagon Screw M10x30	2
22	Excenter / Blade tilt stopper	2
23	Lock nut M10	2
24	Lock Nut M16	1
25	Washer M16 (ø30/3 mm)	2
26	Spring Catch	2
27	Lock Nut M8	2

Installation and control

Notes: Before installing snow plow it's necessary to modify adapter (plastic guards or panels). It depends on type of each ATV/UTV.

ADJUSTMENT OF BLADE HINGES

Blade hinge parts must pivot – see illustration and notes
